Academy Connection Home Page view Before Migration

The screenshot displays the Cisco Networking Academy Connection Home Page. At the top, a navigation bar includes links for 'My Profile', 'Contacts & Feedback', 'Help', and 'Log Out'. Below this is a banner featuring the Cisco logo and a collage of diverse students. The main content area is titled 'Instructor Home' and is divided into several sections. On the left, a sidebar contains links for 'ACADEMY CONNECTION', 'ADMINISTRATOR HOME', 'INSTRUCTOR HOME', and 'ALUMNI HOME'. The central 'Headlines' section, which includes a 'Subscribe' button, lists recent announcements such as 'Introducing the New Communities: Connect, Share, Inspire (03/17/2011)' and 'Cisco Passport21 to Entrepreneurship Now Available to Students (03/11/2011)'. A red box highlights a 'New Communities' graphic with the text 'New Communities' and a 'Go Now' button. Below the headlines is the 'Teach' section, which lists 'Manage Student Classes' and shows three academy entries: 'Education Service Center, Region 17', 'Meadow Independent School District', and 'South Plains College'. Each entry indicates 'There are no active classes associated with this Academy'. On the right side, a 'Search' bar is present, along with a list of 'Resources' (including AC Tutorials, Academy Marketplace, and Course Catalog) and 'Communities' (including Academy NetSpace, Alumni Connection, and Facebook). At the bottom right, there are links for 'Career Opportunities' and regional sites for 'US/Canada/Mexico' and 'EMEA'. The footer of the page features a colorful bar and copyright information.
